*Dear Tony, Matthew, & Sean,*

*Thank you for your kind 'Thank You' note.*

*It arrived as I was writing to 'Thank You' for the fine work done on our recent closet upgrade. Your work, always done cheerfully, is just great and we appreciate your attention to detail. Andrew arrived a couple of days after your part was done and, of course, did his meticulous work on installing the board to match up the existing walls. He is so very careful that everything will fit well and the work is carefully cleaned up when he is finished, just as you do.*

*We are ecstatic that we are fortunate enough to have you helping make our home more than it was. So, remembering your good cheer, with a grin on our faces, we are moving forward with our part in this upgrade.*

*As I have repeatedly said, we love the complete kitchen makeover that you accomplished in our home last year and the creative, artistic floor tile installation in the entry and bath. Everything looks beautiful and, probably more important, works wonderfully and your ideas made the kitchen more gorgeous than it would have been.*

*Yes, Tony, Matthew & Sean, the 'Thanks' needs to come from us. Without you, our dreams would not have been realized. You guys are just so special. Cucky Fallbrook!*

*Regards,*
